

6th Edition of Lab Indonesia Rescheduled to 27-29 October 2021

Dear Valued Exhibitors/Partners/Visitors/Media,

After careful deliberation with key industry members and partners such as yourself, PT Pamerindo Indonesia has taken the difficult but necessary decision to reschedule **the 6th Edition of Lab Indonesia** once again, to **27-29 October 2021**, at the same venue, **Jakarta International Expo**, Kemayoran.

Our decision to reschedule Lab Indonesia from 1-3 September to October is based on feedback from our community, and to ensure we can offer the quality of event you've come to expect from us, with more exhibitors and qualified trade buyers. We are confident that the revised dates will enable us to run a safe, secure and successful show.

Your exhibitor contract and payments made for Lab Indonesia 2020 will carry over to the revised dates. Our team will reach out to you and all parties regarding further logistics and planning. Please accept our apologies for any inconvenience caused by this postponement.

We wish to thank you for your support for Lab Indonesia and we greatly appreciate your patience and understanding during these unprecedented times. We look forward to seeing you again in October.
